Vol. II No. 5

Are you getting the best deal from your coin dealer? Yes, if you deal with Steve Ivy.

Dear Customer:

Simply stated, May was a great month!

Many dealers may be singing the blues but we here at Steve Ivy Rare Coins are staying busy and selling coins. Each week more and more of you are discovering that we are quite serious about "The Art of Negotiation." Through "The Art of Negotiation" we are currently selling many coins which represent the best values in the numismatic marketplace today.

Last month we sold hundreds of Gem coins that never appeared in our *Numismatic Update*. The coins went to those of you that had current Want Lists on file with us. Contact us about those special items you are looking for. In most cases, we can find them for you at a reasonable price.

The last day for us to receive material for the ANA Auction is June 14th. Don't hesitate to contact Mark Feld or Bob Merrill in our Auction Department if you have material to consign.

Sincerely,

Charles Clifford

Senior Account Representative and

Charles Ce#

Director of Sales

BUST HALF DOLLARS

1829/7 MS (65) O-102a (High R-3). A deep-
ly lustrous example which displays an
incredibly sharp strike. The overdate
is readily visible and there is an
unlisted obverse die crack through the
9 in the date. Very rare in Mint State.

1891 MS (65) In this writer's opinion, the
1891 is one of the most underrated of
all Seated coins. It is, in fact, almost as
rare in business strike state than the
1879-90 Halves. We proudly offer this
fully struck, golden Gem at a price
that, quite soon, will appear
ridiculously cheap 2,950.00

LIBERTY SEATED DOLLARS

1857 MS (65) Deep dusky rose-grey atop somewhat prooflike fields. Typical weakness of strike on Ms. Liberty's head, but fairly well struck for this usually soft date. Scarce in all grades but a true rarity in Mint State. This splendid coin is high in the Condition Census. 7,950.00

1870 Proof (65) As nicely toned a coin as we've ever owned. Electric blue, azure, lilac, gold and green hues vie for supremacy. Virgin surfaces. For the finest type set. 5,900.00

WASHINGTON - Senator Robert Dole (Kansas) Chairman of the Senate Finance Committee has announced that markup of the next tax bill will begin on June 8.

As reported in the last issue of the *Ivy Numismatic Journal Update*, it is imperative that a tax bill be presented for consideration by the Senate Finance Committee so that the repeal of the Collectibles Provision may be added as an amendment. Now it appears as though the time for the tax bill has arrived.

The next step for the repeal movement is permission from Chairman Dole to allow amendments on the tax bill.

As chairman, Senator Dole controls the pace of the tax bill. To allow amendments, all of the Finance Committee members will have the opportunity to add amendments as the members see fit. To allow amendments obviously slows the progress on the tax bill. To restrict amendments speeds passage through the Committee.

There are still undecided Senators who need to here from you if you live in their state. The list is as follows: Dole (KS), Packwood (OR), Roth (DE), Danforth (MD), Chafee (RI), Long (LA), Byrd (VA), Heinz (PA), Wallop (WY), Armstrong (CO), Grassley (IA), Boren (OK) and Bradley (NJ).

The important point to the letters received by the Senators to date was to raise the awareness of your Senator to the issue of the Collectibles Provision. The Washington attorneys for the National Association of Numismatic Professionals may then contact your Senator with confidence that your Senator is aware of the interest his constituents have in the issue.

If you have not written your Senator listed above, please help in the "awareness game."

You can write your Senator as follows: Senator (Senator's name), U.S. Senate, Washington, D.C. 20510.
